SUPPLEMENTARY INFORMATION: On August 19, 2022, we published an NIA for the Project Prevent program competition in the *Federal*

Register (87 FR 51072). The NIA established a deadline date of October 3, 2022, for the transmittal of applications. We are extending the deadline date for transmittal of applications, because Grants.gov, the system used to submit applications electronically, will be closed for site maintenance from September 23-29, 2022. Since applicants will be unable to submit or work in Grants.gov during that time, we are extending the deadline to allow applicants additional time to complete and submit their applications.

Applicants that have submitted applications before the original deadline date of October 3, 2022, may resubmit their applications on or before the new application deadline date of October 5, 2022, but are not required to do so. If a new application is not submitted, the Department will use the application that was submitted by the original deadline. If a new application is submitted, the Department will consider the application that was last submitted successfully and received by 11:59:59 p.m., Eastern Time, on October 5, 2022.

Note: All requirements and conditions stated in the NIA remain the same, except for the deadline for the transmittal of applications and the deadline for intergovernmental review.

Program Authority: 20 U.S.C. 7281.
